

## CompuSystems Adds to Sales and Service Teams

6/29/2006 - CompuSystems, Inc. (CSI) announced the addition of two new members to its sales and service teams to further support the company's business growth. Jackie MacPherson has been named director of client relations, and Charlie Quick has been named as national sales manager.

In her newly-created role, MacPherson will serve as a key liaison between CompuSystems' operations staff and the company's clients. She brings over 16 years of event management and hospitality sales experience to CompuSystems. Most recently, she served as senior vice president of operations for Travel Technology Group, with responsibility for housing, registration, and call center functions. MacPherson previously held convention management positions with Smith, Bucklin & Associates. She is a member of the Professional Convention Management Association (PCMA).

Quick comes to CompuSystems with eight years of experience in the trade show and events and exhibits industry. He has served in sales roles with Lewellen & Best Exhibits and with Coyote Exhibits & Design and is a Certified Exposition Manager (CEM). Quick will work primarily from a Galena, IL, office.
