

## **CompuSystems Introduces New Web-based Dashboards at EXHIBITOR2010!**

**Broadview, IL – February 2, 2010** – CompuSystems, Inc. has announced that it will be introducing new, Web-based dashboards for event management at EXHIBITOR2010 March 15-18 at the Mandalay Bay Convention Center in Las Vegas, NV. CompuSystems' dashboards provide exhibitors and attendees a simplified and efficient way to manage the overall tradeshow experience from one central location.

The Attendee dashboard allows registrants to resend confirmation letters; locate products of interest and reach out to exhibitors; access social networking sites; book hotel, air and car and print combined summary; send automated VISA letters for international attendees and add their show info to Outlook. They also have the ability to use the Invite a Friend application, whereby they can send email invitations to entice colleagues to register for the show.

The Exhibitor dashboard also has an application for emailing show invitations called Invite a Customer. Exhibitors can send these invitations with a discount code, making it attractive for their customers to register for the show. Exhibitors can also place and review orders for lead retrieval and list rental, view registration details for staff, add new booth staff in bulk with file uploading, resend confirmations and register booth personnel from this location.

“CompuSystems is proud to be able to display our new dashboards at EXHIBITOR2010,” said Chris Williams, Senior Vice President of Sales for CompuSystems. “We’re excited to be able to provide a cutting-edge tool to our customers that will save so much of their time in an environment where it is becoming more and more valuable.”

**CompuSystems, Inc.** is a full-service registration provider for the exposition industry, offering a broad range of services for show organizers, exhibitors and attendees. CompuSystems' mission is to help its customers achieve the best possible trade show experience by providing innovative technology and cutting-edge products and services, backed by the most experienced professionals in the industry. For more information visit the CompuSystems' booth #1249 at the EXHIBITOR2010 show or on the web at [www.compusystems.com](http://www.compusystems.com).
